date to Have Marriage Annulled.

Edgar G. Blankenmeister filed suit in the Circuit Court resterday against Julia Blankenmeister to have their marriage deciared rull. He alleges that he was a minor when the marriage was performed. Cotober 18 last, and that he was compelled to permit the ceresnony to be performed. His wife's maiden name was Thornhill.

Pire in Maplewood. destroyed the residence of Huge at Marshall and Vine avenues in Marid shortly after mon Tuesday. The ion of a gasoline stove in the kilchen i the fire. The house and furniture, at 25.00, were entirely destroyed the covered the 1058.

Thomas Huxley it was, who described the brain as a perfect logic engine, working without fretain equally divided. "The question then becomes," says Dr. Pierce, "how to run this engine without blawing up the boiler, without accident, and without sending the locomotive to the repair shop. An ignorast man cannot run an engine; neither can a man over-work his brain unless he observes certain laws of health without sending over minety and run of the attentive extracts of conserved certain laws of health without of the attentive extracts of conserved certain laws of health without of the attentive extracts of conserved certain laws of health without of the attentive extracts of certain herbs and roots was the best corporately and the strain of over-work without said the strain of over-work without oil."

After many years of study in the active work he would have an attack and each found that when the stomach was out of order, the blood impure and there were symptoms of general break-down, a tonic made of the atterative extracts of conserved the triangle of the strain of over-work without oil."

After many years of study in the active work he would have an attack and each found that when the stomach was out of order, the blood impure and there were symptoms of general break-down, a tonic made of the atterative extracts of conserved the strain of over-work without oil."

After many years of study in the active work he would have an attack and each found that when the stomach was out of order, the blood impure and there were symptoms of general break-down, a which time he was reduced to a mere a strain of over-work without oil." a man over-work his brain unless he observes certain laws of health without meeting with some disaster." If the cugine is properly oiled and cared for it will last a great many years, and in the same way if the human mechanism is properly looked after it will last the allotted three score and ten years. As civilization progresses, the draft an the hain and nerves increases, but no class of work burns up blood as fast as brain work. Hard work confined to shop or office, without the invigorating air and sunshine becomes 'the pace that kills,' the nuncles and flesh become flabby and the blood watery. The human system must be a laboratory for the constant the blood watery. The human system heartburn, and many uncomfortable 'Golden Medical Discovery' and seven must be a laboratory for the constant symptoms, such as heart-paintation due vials of the 'Pellets' and is feeling good. The stomach is gaining every and seven was and courage depend upon the blood and the blood depends upon the stomach, with excessive tissue waste, especially in deal of work. Everyone who sees him, with excessive tissue waste, especially in convalence from the various spring from the food we cat the elements required for the blood. If the stomach cannot assimilate the food taken up, then the blood and the nerves starve for the proper nourishment they require. This human machine soon breaks down, like the engine without coal for its boilers, because the heart, liver and lungs do not receive the pure blood necessary to keep them strong and active.

with excessive tissue waste, especially in convalence from the various spring fevers, whether of a malarial or typhoid character. As a tonic and reconstructive never would if it had not been for Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets.' Thanks be to God and the nerves starve for its human machine soon breaks down, like the engine without coal for its boilers, because the heart, liver and lungs do not receive the pure blood necessary to keep them strong and active.

We have various spring convalence from the various spring says, 'I never expected to see you out and around again.' He tells them they during and after the influences of grip it will prove of particular value. It has been extensively used as a re-builder of the severity of a rheumatic attack.

"I now take the opportunity to let you know that I have not forgotten you or your wonderful medicines," writes Mrs. L. D. Crouk, Redfield, Oswego

This human machine soon breaks down, like the engine without coal for its boilers, because the heart, liver and lungs of receive the pure blood necessary to keep them strong and after the influences of grip it will prove of particular value. It has been extensively used as a re-builder.

Dr. Pierce's Common Sense Medical Adviser is sent on receipt of 21 one-cent stamps for the cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

HOLIDAY ON EAST SIDE TO-DAY. Special Street-Car Schedules to Ac-

commodate Dedication Visitors. commodate Dedication Visitors.

To-day will be a general holiday all over the East Side. Notices have been posted everywhere that places of business will be closed for the day and about the only places open will be the drug stores, restaurants and saloons. Even several of the sulconkeepers have stated that they will close up for the day.

The street car officials are ready to put every car in their possession into service to-day. A five-minute schedule will be run from Believille and all of the East St. Louis street cars will be a run across the bridge without transfer.

East St. Louis Items.

Enst St. Louis Items.

There is a strong demand for all sorts of stilled building trades laive in East St. Louis.

The East St. Louis Gas Company employes have organized a baseball club.

Loctor J. L. Wiggins, Doctor C. M. Liffle and Doctor A. B. Starkel departed last evening for Chicage, where they will attend the State Medical Society meeting.

Bawley Sutherland, & years old, of North Second street, died suddenly yesterday. An inquest, held at Domboff's Borgue, resulted in a verdict of heart failure.

William Elwert, a member of the Belleville Trolley League baseball team, is suffering with a fractured arm, the result of the baseball game Sanday. He received his injury Sombay in attementing to stead a base and thought that the injury was simply a speak number of the called on a coctor.

WILL OF JOHN E. HAYNER. Estate Is Valued at More Than Two Million Dollars.

Estate Is Valued at More Than Twe Million Dollars.

The will of John E. Hayner of Alton was admitted to probate at Edwardsville yesterday, it bears date of August 3, 1961, and was witnessed by Charles A. Cannell, Levi Davis and Oliver S. Stowell.

After providing for funeral expenses, the testator bequeaths to his wife, Mary Caroline Hayner, the homestead in Alton and 30,000; to his daughter, Florence E. Haskell, \$100,000. His son-in-law, Doctor W. A. Haskell, is to receive \$25,000. To his sister, Henrietta A. Fletcher, \$5,000 is left, and to his nieces. Ella Fletcher Taylor and Emma Fletcher Didlake, and to Mary Fuller Sayers \$2,000.

To his wife one-fourth of the personal and one-sighth of the real estate is left; to his daughter one-fourth of the personal and three-eighths of the real estate. The other one-balf of each is given in trust to Mrs. Haskell, to invest judiciously, and pay the income to her son, John A. Haskell, who is to receive the principal in equal portions when he is \$5, 29 and 32 years old. Mary Caroline Hayner and Mrs. Florence E. Haskell are appointed executrixes without bond, to handle the estate of over \$2,000,000, but the testator requests that in settling the estate and managing the trust property his wife and daughter shall consult with Doctor W. A. Haskell and O. S. Stewell of Alton and John J. Mitchell of Chienge.

Edwardsville Notes.

—A big mortgage was filed for record at the Courthoase in Edwardsville resterday. It was issued by the Indianapolis and St. Louis Short Line in favor of the Central Trust Chespany of New York, and was for E(M),000. The mortgage covers spercent fifty-year gold bonds to that amount the sum to be applied on the construction of the Big Four-cut-off, forty-five miles in length, from near Hillsbook in Montgemery County, to Mitchell in Madison County.

"Thomas Canningham County Insector of in length, from nour Hillstone, in Montgemery County, to Mitchell, in Madison County.

Thomas Caoningiana, County Inspector of Sines, has issued a call to all certified mine managers in Madison County to meet in the best of the County to meet in the construction of mines is becoming more common, and Mr. Cunningham will have superts present to conduct a school of instruction for the mine managers in that branch.

—Julius G. H. Wolf, expert engineer in charge of the countraction of the Government fortiscations at San Francisco, is in Edwardschille this week, visiting his parents, Mr. and Mrs. O. E. Wolf. He came East to attend the delication exercises at St. Louis.

—A negro employed in the railroad construction work more going on at Worden, was crushed last night by the fall of a material bucket, which was being hoisted by derrick. An overhead bridge is being hoisted by derrick. An overhead bridge is being built for the Big Four cut-off to span ... whabash.

—Frank Lowe, a former resident of Alton, who had lived in Edwardsville for the last six years, died yeartrage morning. He was a son of C.E. Lowe, proprietor of the Broadway Hotel. The function will take place to-day at 2 p. m.

Weedding Was a Surruss.

Wedding Was a Surprise

A surprise wedding took place in Jersey-ville yesterday aftsmoon, the contracting parties being James S. Heiner of Springfield, Ill. and Miss Elia M. Sunderland of Jer-seyville. The ceremony was performed at 5 o'clock at the home of the brother of the bride, L. W. Sunderland. The Reverend Doctor Jay A. Ford, pastor of the First Baptist Church, officiated. Mr. and Mrs. Sunderland departed for Springfield imme-diately after the ceremony.

Nearly Bit Off His Tongue. Lealle Landon, the 15-year-old son of W. D. Landon of Jerseyville, austained an accident yesterday by which he came near biting off his tongue. Young Landon was playing ball at his home, when he was struck in the chin by the ball. The ball knocked his teeth together and his tongue was caught and almost cut in two.

Jerseyville Notes. —Mr. and Mrs. Albert Cait of Jerseyville were surprised on Tuesday evening by the members of the club, the occasion being the twenty-eighth applicement of their marriage.

—John Simmons, a carpenter, was severely injured year-risy on a building in Enchange sirest. Simmons fell from the building onto a rock foundation for an adjoining structure. In the fail he sustained a fracture of a rib as well as internal injuries. Dr. A. E. Barnet pronounced his condition serious.

—Colonel W. H. Fulkerson of Jerseyville yesterday entertained J. M. Finerty of Lincoln County, Messouri.

—The condition of Mrs. Mary Berr of Jersey.
